

SCHLOSS LAUFEN | RHINE FALLS EXPERIENCE

FAIRYTALE WEDDING AT SCHLOSS LAUFEN

INITIAL INFORMATION FOR YOUR WEDDING CELEBRATION

DEAR BRIDE AND GROOM,

Thank you for your interest in celebrating your wedding with us. A unique backdrop, roaring waterfalls and unspoilt nature: in choosing Schloss Laufen at the Rhine Falls, you are selecting a distinctive location for your special day.

A wedding is emotional and unique. And this is how we see it – in precisely the same way as you do. With our extensive experience, we have the know-how to make the most delightful day of your life into even more of an exceptional occasion for both you and your guests.

By way of initial information, we have compiled a short overview of our wedding offerings, so that you know what you can expect from us.

We will be pleased to show you the different options in person with a viewing appointment at the Castle (Tuesday to Sunday). We will then send you a quotation based on your individual wishes, together with menu suggestions.

We would be delighted to plan this important day of your life together with you and would ask you to contact us for a non-binding viewing appointment at the Castle.
